

## DISCRIMINATION AND ATTITUDES AMONG BULGARIAN MAJORITY AND ROMA MINORITY

Ana Bozhanova

---

**Abstract.** *The aim of this paper is to find is there a discrimination toward Roma minority from Bulgarian majority and if yes to what extent. It is interesting to examine if it influence the attitudes of Bulgarian majority toward Roma and vice versa. Discrimination as a phenomenon and theories which are connected to it will be reviewed. An attempt to find a link between discrimination and attitudes will be made.*

**Keywords:** discrimination, attitudes, Theory of Social Identity, Social Categorisation
